Page 12

1 correct?

2 A Yes.

3 Q And it has its own proprietary computer
4 system for receiving judgments on that laptop?

5 A Yes.

6 Q And how long has that been the same in
7 terms of your -- how you input and communicate those
8 judgments to LexisNexis?

9 A It's been basically the same.

10 Q Since September of -- spring of '07?

11 A Spring of '07.

12 Q I'm going to start in the spring of '07,
13 which everyone in the room but you brings a sigh of
14 relief. With Ms. Long, I went back further, so from
15 here on out I'm going to be asking you only about
16 spring of '07 forward unless I tell you otherwise.

17 A Okay.

18 Q Do you recall when LexisNexis took over,
19 when you started formally contracting under LexisNexis
20 what you were to gather from these 18 courthouses?
21 The other qualification is I only care about general
22 district court right now.

23 A Okay.

24 Q I'm only going to ask about general
25 district courts.
